To Whom It May Concern:

Would you like to help impact the lives of young boys for the benefit of our communities, schools, cities, and our world?

Are you willing to sponsor a young boy to help him learn how to exhibit godly character, integrity and learn servant-leadership skills?

Jubilee Youth Service & Leadership Academy (J.Y.S.L.A.) is a Faith-Based, Christ-Centered, Boy-Focused mentoring and discipleship organization established on timeless values derived from the Bible and set in indoor activities and outdoor adventure. We are dedicated to providing young boys with a structured environment that fosters self-worth, self-esteem, life-long learning skills, and personal core values.

Here at J.Y.S.L.A., we enhance the quality of life for elementary school-age boys, 8-13 years old, and their families. We focus on instilling foundational and practical principles of good moral character, integrity, critical-thinking behaviors, servant-style leadership skills, and outdoor exploration activities from a biblical worldview to guide boys onto a spiritually-aligned pathway into authentic manhood.

The call for boys to be boys and men to be men is more crucial than ever before. Unfortunately, far too many Christian families send their boys out into our culture, ill-equipped to combat the spiritual wickedness they encounter daily in a society that has declared an all-out assault on boyhood and God's original design for genuine masculinity

In his book, *"Let Boys Be Boys" 3 Winning Strategies for Leaders of Boys*, Mark T. Hancock writes, *"In a culture wary of "toxic masculinity" and bombarded with*

decades of secular media presenting fathers and husbands as buffoons, is it any wonder that psychologically damaging, unscientific gender-identification propositions find an audience? Boys are starved of moral direction and ignored in terms of academic struggles. They have no platform for their own defense because they have already been judged deficient”.

At J.Y.S.L.A., we provide an environment where ‘boys can be boys and become all that God has created them to be. Our goal of transforming young boys’ lives for the glory of God and the benefit of our world cannot happen without your support.

Please consider becoming a ‘*JubileeKidz*’ partner to help us continue to provide a platform to instill the transforming Word of God and life-changing encounters that foster character, integrity, and servant leadership skills for young boys.

Jubilee Youth Service & Leadership Academy would like to thank you in advance for your support.

ABOUT US

We established the Jubilee Youth Service & Leadership Academy (J.Y.S.L.A.) to teach godly character, integrity, and servanthood principles from a Biblical worldview. As well as, to develop critical thinking skills and fundamental leadership qualities through a wilderness adventure experience.

The J.Y.S.L.A. is committed to fostering character and integrity in the lives of every elementary school grade boy from ages 8-13, in our care. We train, develop, and challenge every boy to become transformed for the glory of God, also the well-being of his neighborhood, his school, our city, and the benefit of the world.

We emphasize a unique approach to shaping a boy into a young man by equipping him with essential elements that foster a boy acquiring:
A Vision, A Code of Conduct, and
A Cause in which to invest his life.

We implement these time-honored ideals and much more, both indoors and in the wilderness to usher our cadets onto a more structured and resilient pathway in life.
